

Line Card from Howard Electronic Instruments, Inc. [View in PDF](#)

[XYTRONIC INDUSTRIES, LTD.](#) Professional **Lead Free** Soldering and Desoldering Equipment, SMD Rework Stations, Fume Extractor Fans, Magnifying Lamps, ESD Wrist Straps, Tips, Focus Hoods and Accessories. Makers of the first Temperature Controlled Soldering Station in the world.

[JBC TOOLS](#) Maker of the finest soldering, desoldering and SMD Rework stations in the world (**All Lead-Free**). Built in Barcelona, Spain for 78 years and maker of the Classic and Advanced Series line of soldering and desoldering tools.

[DEN-ON INSTRUMENTS, INC.](#) Complete line of Soldering, Desoldering, and SMD Rework Stations and Pre-Heaters, Desoldering Tips, Filters, Soldering Tips, Parts, and SMD heads available for all stations.

[HEIScope](#) This is our leading supplier of microscopes, cameras, video inspection stations, boom stands, post stands, articulating arms, microscope illumination, XY Tables and technicians worklights for the Electronics Industry.

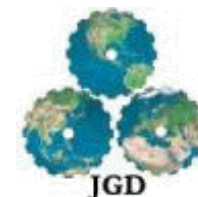

[STEINEL AMERICA](#) This is the world's leading supplier of quality heat guns, butane torches and butane soldering irons.

[EDSYN, INC.](#) Soldering and Desoldering Equipment, BGA Site Preparation Tool, Pencil Type Rework Tools (self contained and shop air), Desoldering Tips, Filters, Parts and Soldering Tips, Parts, and SMD heads. (Made in America)

[JENSEN GLOBAL](#) Industrial needles, (stainless steel, taper tip, Teflon and polypropylene), syringes, tip caps, plastic bottles, and dispensers (timed and manual).

[goot](#) **Lead-Free** High Quality Soldering Stations, heavy duty soldering stations, soldering irons, desoldering tools, and **leaded and Lead Free** solder pots.

[PANAVISE](#) The leading supplier of work holding equipment including vises, PCB holders and all accessories.

[KAHNETICS, INC.](#) Air Operated Dispensing Systems for dispensing solder paste, or any flow-able material. Accessories include needles, syringes, adaptors, air operated pickup tool, gloves, and automated applications.

[WELLER \(Cooper Tools\)](#) **Lead Free** Soldering irons, SMD rework stations, and pre-heaters.

[MASTER APPLIANCE](#) Hot Air Tools, Butane Soldering Irons and Heat Guns with parts and accessories (Made in America).

[INDEPENDENCE ELECTRONICS, INC.](#) Capacitor Wizard ESR Meter, the leading ESR Meter in the world.

[HEI-IR860 IR SMD Rework Station](#) using IR Technology for sophisticated SMD rework.

[AUBURN TECHNOLOGY](#) 3 GHz High Frequency RF Probe for Spectrum Analyzers, High Frequency Generators, Etc.

CHIP QUIK Low Temperature Alloy in various lengths and Paste Flux for removing SMD's. The NEW LOW TEMPERATURE REMOVAL System.

QUATRO Our leading supplier of fume extractors to the electronics industry, jeweler's industry, and medical industry.

AMTECH INC Wire Solder, Solder Paste and Cream. Solder Flux in RMA, Water Soluable, and No-Clean. Get ultimate solder ability without solder balls for fine pitch applications.

VIRTUAL INDUSTRIES The leading supplier of vacuum pick-up tools in the electronics industry. Designed mostly for picking up components, including the smallest of chips.
